A Debt

In the Middles Ages chivalry was a great part of everyday life. The knight promised his lord that he would be gallant, fearless, and loyal. He would shun treachery and caution and always be ready to risk death for his lord or companions. Love was also a part of chivalry.

In the same way today we, of the Western civilization, practice the code of chivalry. We strive in this great democracy to be honorable and fair. We would willingly fight and die for our country and fellow-man as would have the gallant knights of many years ago.

Lee produces winners in every aspect and the literary field is no exception.

School spirit is best displayed by the large student body at the football games.

A top-notch speech department provides for the actors and actresses of Lee High School.

A "ladies only" affair, the Senior Girls' Tea in September, provides an occasion to meet new students and renew old acquaintances.

Many hours of hard labor went into the Lee Day floats and right in there following suit was the "L" Club.

Everyone looked forward to Mardi Gras and was held in suspense until these lovelies took the spotlight.

Robert E. Lee, one of the greatest men and most skilled generals in our history, was best known for his outstanding character. Humility, prayer, faith, and kindness were part of his everyday living. He could surely take his place beside the gallant knights of the Middle Ages.

SENIOR CLASS MESSAGE

We, the 1958 graduating seniors of Robert E. Lee High, would like to express our gratitude for being able to participate as a part of this student body.

Though we are very fortunate and proud to be the first graduating class to complete three full years at Lee, it is our highest hope that all future seniors will profit by our many experiences.

There is not a happier feeling than that of being a senior. However, this thought makes us sad — to know that we entered school so many years ago to learn and that this education is coming to a temporary close, not because we shall not learn more but because we are leaving such a wonderful school, faculty, and student body.

No matter where we go, we shall always be proud to say we are graduates of Robert E. Lee. In our hearts we will always say:

"Lee High, to thee in joyous lay we pledge our steadfast will.

To bear thy ensign always high, thy lofty hopes fulfill.

The years will pass, as years will do, and class by class depart.

Alma Mater, as they leave thee, hold thy love in every heart.

Lee High, we honor thee to-day as always we shall do.

When e'er our thoughts on thee are turned, our hearts imbibe anew.

The sweetest draft from purest springs of knowledge deep and clear.

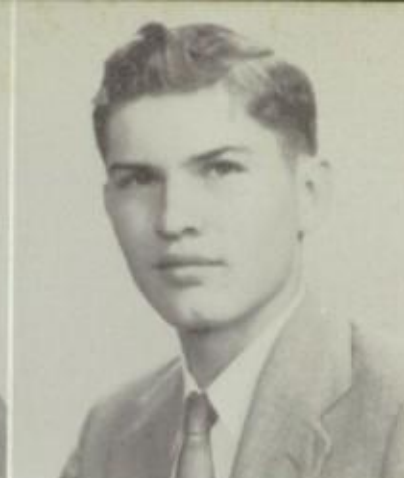

Alma Mater, nearer, dearer, be thy spirit year by year."

"To create, maintain, and extend throughout the home, school, and community, high standards of Christian Character." This is the purpose of our organization. In Zeta, we not only worked together, but we also worshiped and played together. The meeting each week was opened with a devotional which enlightened our faith. We sold Lee pennants on Lee Day which we made for the ways and means project. We enjoyed all the socials, but the most memorable was the Thanksgiving dance in the Gold Room of Montgomery Fair.

Traits for the D. A. R. Good Citizenship Girl are dependability, service, leadership, honesty, and sincerity. We at Lee know that these qualifications could fit only one senior girl, **Ellen Keldorph**, D. A. R. Good Citizenship Girl for 1958. Ellen's never ending faith in God has been an inspiration to her classmates. Active in all phases of church work, she has gained the respect of both faculty and students. Her vivacious and energetic character has enabled her to be well qualified for the numerous honors bestowed upon her in the preceding years. For the past three years she has been presented in the Who's Who and in her senior year was elected a Favorite. Working on the school paper for the past two years she was named co-editor for 1957-58. During Lee Day activities she was chosen by the senior class to be senior attendant to Miss Lee High. Interested in politics, Ellen was a main figure at Girl's State in 1957, the event held at Huntingdon College. In her junior year she acted as secretary-treasurer of the Student Council and this year continues to be active in the council by being a section representative. Ellen also presides over her homeroom club as president. For the past six years she has participated in the Gamma Phi Omega Tri-Hi-Y of which she served as president in 1956-1957. These characteristics and achievements well qualify Ellen Keldorph for this honor.

The Feature Staff of the Scabbard wishes to thank Miss Lily Mae Caldwell of the Birmingham News for her assistance in getting Miss Emerson to select our Beauties for 1958.

Dattie,

I guess this year ends our school friendship, but I hope that we will still keep in touch. Maybe by this time next year, our New Year's Eve hopes will be coming true. I'll never forget our talks in study hall - (Even the conduct check was fun.) Since my last visit in the country, I doubt very seriously that my N.Y.'s Eve hopes will ever get beyond where they stand now, but you have all the chances in the world. Always remember me.
